

SCORE! SCHEDULE

Students Creating Opera to Reinforce Education

Each month, we will hold 3 WHOLE GROUP, In-Person meetings.

Additionally, we will hold SMALL GROUP/TEAM meetings based on Student and Artist Educator schedules, as needed, throughout the 2024-2025 Program Year, both in-person and via Zoom. A schedule of those dates/times/locations will be provided when determined.

WHOLE GROUP meetings are usually held on the first Saturdays of each month (unless marked *), the second Fridays of each month, and the third Tuesdays of each month (unless marked *). Three (3) Family Fun Nights are interspersed throughout the calendar at which parents/families are encouraged to join us, learn about the students' progress, and participate in hands-on, immersive learning activities.
