SCORE!, [a FREE program](#), currently beginning its 22nd successful year, involves 60 students, ages 10 to 13, in the creation, development, and production of their **OWN original** production. SCORE! places students in direct working relationships with professional singers, actors, composers, instrumentalists, creative writers, and designers.

[SCORE!'s free program targets students who are under represented in the field of classical music, students who are economically and/or socially challenged, or students who might not be able to otherwise access this type of opportunity. However, all students are welcome and encouraged to apply.](#)

The overall goal of this project is to empower children and their families with an orientation for success and the opportunity to demonstrate their skills and abilities around a tangible public product.

The result will be a 45-minute original production.

- In order to participate in the program, students must be in grades 5-9 during the 2024-2025 academic year AND must demonstrate an eagerness to learn both inside and outside of the classroom.
- Students must attend and fully participate in all scheduled SCORE! workshops and activities outside of the school day, [with mandatory attendance expected for the SCORE! Production & Performance Weeks \(6/16/25-6/28/25\).](#)
- One or more adult Parent(s)/Guardian(s) must attend an Orientation Thursday, October 17th, 2024, or Tuesday, October 27th, 2024 from 6:30pm – 8:30pm at ECC, Building F in room F100.
